May 6

Dear Anna

Hope you are well. First of all I wanted to thank you for the number of entries we received this year from you – they were fantastic!

I also have good news – two of your photographers have been shortlisted:

- Kosmas Karikas for Bird
- Takis Koumentakis for The Park

I completely understand that it's very difficult for the photographers to attend the awards ceremony but I wanted to give you the details just in case they can make it – it will take place on Thursday 11th June at Kew Gardens, London from 6.30pm. I can of course send you over further details if they are interested in attending.

Congratulations and thank you once again for your support of the competition.

Best wishes

Alexa
